

NATIONAL MOVE SOLUTIONS

MANAGING MOVES, MAXIMIZING SIMPLICITY

THE ADVANCE GROUP DIFFERENCE

The Advance Group provides National Move Solutions that are designed to make managing your office moves easier for you. Managing a national or global portfolio is a difficult task, and managing multiple projects at once is even harder. We understand this and have the necessary resources, capabilities, and technology to service your team in any market nationally.

As you scale your business—whether in office, retail, industrial, or hospitality—we are here to offer our best-in-practice standards and strategies. Our end-to-end service is designed to save you time, money, and energy, allowing you to focus on what is most important to you and your business.

PROJECTS INCLUDE:

- Global Headquarters openings & moves
- Relocating assets between locations locally and around the country
- Decommissioning & White Boxing spaces
- Move/Add/Change & Process Implementation
- Move Consulting & Office Asset Management
- Retail Space Management & Logistics
- Office relocations across the United States, EMEA, & APAC.

Crafting Excellence, Tailored for You

CONNECT

We review your Service Line objectives, establish a Project Budget, and assign your Project Lead.

PLAN

Virtual or On-Site Surveys will be completed, and your Relocation Schedule will be outlined.

EXECUTE

We communicate Project Preparation and Move Management Tasks every step of the way.

MEASURE

We measure Cost Control, Quality Assurance, and Performance Indicators.

CONCLUDE

Our team will complete a Post-Move Survey, finish your Punch List, and create timely, accurate invoices.
